**3rd International Assembly of YouFra**

Dear brothers and sisters,  
Peace and all Good!

After having experienced our 3rd International YouFra Assembly in Mexico, August 20 to 26, 2022, today we are publishing the conclusive document, which is the result of the hard work of all the participants during the Assembly.

This document contains a brief description of what we accomplished during this time of fraternal life and the priorities that were established by the International Assembly of Franciscan Youth. It is important to remember that these priorities are in force from their publication. Therefore, each National Fraternity must try to comply with our requests, especially with those indicated in numerals 5.1, 6.2 and 7.2.

We extend our gratitude to all the OFS-YouFra fraternities that contributed donations so that our 3rd Assembly could be held. In a special way, we thank the National Fraternity YouFra and the Secular Franciscan Order of Mexico for all the attention given to the participants of the Assembly.

I hope you have had a joyful feast of St. Francis of Assisi and I invite you to join in prayer begging God to help us fulfill the commitments we have made at the 3rd International Assembly.

Your brother,
