Duration of World Youth Day 2023: 1 to 6 August

It is important to remember that all members of YouFra, fraternal animators OFS and Spiritual Assistants for YouFra are summoned to this International Gathering. The international delegates of the constituted/established fraternities are also summoned to the International Assembly, where the election of the YouFra International Councilors for the new period 2023-2026 will take place. However, during this time of the Assembly, other activities have been planned for the other participants of the International Gathering.

The organization of WYD will provide invitation letters for participants who need to carry out visa procedures and, as far as possible, will notify the consulates of each country that requires these procedures. Remember to contemplate at the time of buying your tickets that the countries where you will transit, do not ask for a visa in addition to the one you need to enter Portugal.

Do not hesitate to ask any questions to your International Councilors or directly to the email [youfra.wyd2023@gmail.com](mailto:youfra.wyd2023@gmail.com)

Fraternally;
